### **Work Starts on the Aldinga Recreation Centre!**

Amanda Rishworth MP, Federal Member for Kingston has welcomed the news that on-the-ground works will commence this week on the Aldinga Recreation Centre.

Ms Rishworth said “I am delighted that construction will commence this week on the Aldinga Recreation Centre.

“In 2007 families and residents in the Aldinga community expressed to me their desire for a recreational facility to be established to meet the needs of the growing community and I fought hard for this to become a reality.”

Ms Rishworth worked closely with the community and all levels of Government to deliver a positive outcome for residents and families in the Aldinga area.

Ms Rishworth said “The Gillard Government provided \$2 million to the City of Onkaparinga Council for the development of this facility in the 2008-09 budget and so it is fantastic to see that this much-needed Centre is now under construction at Aldinga Beach.”

Ms Rishworth said that the Centre will contain court facilities, a multi-purpose activity space and change room facilities.

Ms Rishworth said “I am excited about the potential of this Centre to improve recreation and physical activity opportunities for local residents, schools and community groups.”

Ms Rishworth said that the facility is expected to be completed by October 2011.
