

## **MEDIA RELEASE**

### **Amanda Rishworth MP** Federal Member for Kingston

15 April 2011

#### **Amanda Rishworth's 2011 Kindy Art Show!**

Amanda Rishworth MP, Federal Member for Kingston was delighted to host her annual Kindy Art Show yesterday at the Noarlunga Hopgood Theatre.

Family and friends of participating children as well as kindergarten directors and staff were invited to come along and view the art work before each child was presented with a certificate.

Ms Rishworth said that the event was a huge success with over 300 local residents coming together to celebrate the creativity of young children from kindergartens around the South.

Ms Rishworth said "It is always a pleasure to see kids in our local community proudly showing off their fantastic art work to family and friends.

"I believe it is really important to celebrate the creativity of local kids and to acknowledge their efforts.

"We had some wonderful submissions this year from paintings and collages to posters and masks. I think the kids should be very proud of their art work."

"I would especially like to thank the kindergarten directors and staff for their help in organising the submissions of each of the participating children," said Ms Rishworth.

Ms Rishworth said that she was looking forward to hosting this popular community event again next year.
