

MEDIA RELEASE

Amanda Rishworth MP
Federal Member for Kingston

4 November 2010

New classrooms and a covered outdoor learning area at Reynella Primary School

Amanda Rishworth MP, Federal Member for Kingston will officially open new classrooms and a covered outdoor learning area tomorrow at Reynella Primary School, built as part of the Australian Government's *Building the Education Revolution* (BER).

Reynella Primary School received \$3,039,031 under the *National School Pride* (NSP) program and *Primary Schools for the 21st Century* (P21) element of the BER.

Ms Rishworth congratulates Reynella Primary School on their new facilities and believes that the facilities will be of tremendous benefit to both the school and local community.

Ms Rishworth said "It will be fantastic to share in the celebrations as we open these state-of-the-art facilities, which will have a great impact on Reynella Primary School and the local community.

"I am also delighted to announce that this particular project has supported the employment of 174 workers. This is what we strived to achieve – this is the essence of the *Economic Stimulus Plan*."

Ms Rishworth said that the BER is a key element of the Australian Government's \$42 billion *Nation Building – Economic Stimulus Plan* to support jobs, stimulate local economies and invest in important infrastructure for the long term.

The \$1.28 billion *National School Pride* (NSP) program is providing funding to more than 9400 eligible schools in every state and territory for minor infrastructure and refurbishment.

The \$14.1 billion *Primary Schools for the 21st Century* (P21) element is providing funding to over 7900 eligible primary schools in every state and territory for major new infrastructure.

Further information about this project and all schools funded under the BER is available at www.buildingtheeducationrevolution.gov.au or at: www.economicstimulusplan.gov.au.
